

Test Summary Report

Project Name: Powr of You

Project URL: [Click Here](#)

Tested By: Shivendra Singh

Test Summary:

Powr of You is a comprehensive website offering resources for software testing and quality assurance (QA) professionals. This test summary outlines the results of the manual testing performed on the website, covering various aspects like functionality, UI, performance, security, accessibility, and browser compatibility.

Test Overview

<i>Test Type</i>	<i>Scope</i>
Functional Testing	Verified that each feature performs as expected (e.g., Dashboard, Surveys, Connect, Reward and more etc).
UI/UX Testing	Ensure the Application is visually appealing, intuitive, and user-friendly.
Mobile Compatibility	Ensured that the website is fully functional and responsive on mobile devices (Android).

Testing Summary

1. Functional Testing

- **Total Test Cases:** 36
 - **Passed:** 31
 - **Failed:** 5
 - **Status:** Partially Passed
-

2. UI/UX Testing

- **Total Test Cases:** 21
- **Passed:** 21
- **Failed:** 0
- **Status:** Most

PerformanceTesting

- **Total Test Cases:** 3
- **Passed:** 3
- **Failed:** 0
- **Status:** Mostly Passed

Issues Found:

- Minor alignment issues in form fields on tablet view.
-

Test Overview

After performing manual testing on the "Powr of You" mobile application, the overall functionality, usability, and data processing capabilities were assessed. The application successfully captures user data and provides insights while maintaining transparency. However, key areas such as data synchronization, app responsiveness, and security mechanisms were thoroughly examined. Any identified issues, such as UI inconsistencies, performance lags, or data accuracy concerns, should be addressed to enhance user experience and reliability. Overall, the application serves its intended purpose effectively, but continuous testing and improvements are recommended for optimal performance.

Test Execution Details

- **Testing Start Date:** Apr 10, 2025
- **Testing End Date:** Apr 11, 2025
- **Tested By:** [Shivendra Singh]
- **Test Environment:**
 - **Operating Systems:** Android 14
 - **Devices:** Android/ Samsung Galaxy M14
